

#10 pMAP19 Final Proforma

Please use the following proforma to outline your pMAP plans. It helps us to process them if they are all in the same format.

If you have any questions, please let us know – thanks!

Guidelines

Summary Plan

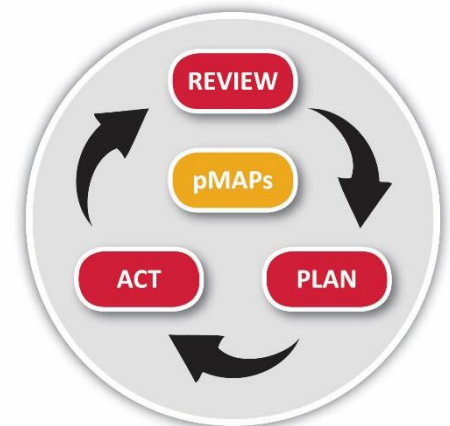

This gives us an overview of what you are planning to do and why. The columns are as follows:

1. **Objective #:** You will need to articulate what objectives you have agreed as a parish.
If you have too many you will simply not be able to achieve them all in the timescale.
We suggest up to 3 for a parish.
If you create a benefice MAP you might have 2 that you share across the parishes, and then 2 specific to the individual parishes.
2. **Objective Description:** Explain here what it is you want to achieve.
3. **Impact:** What difference will this make in the Kingdom of God?
4. **Strategic Priorities engaged with:** Which of the 4 SPs does this objective engage with? (See key in appendix 1)
5. **aMAP Projects:** Which of the 12 aMAP projects does this objective engage with? (See key in appendix 1).
Please note: it may not impact any of them!

Detailed Plan

We have included two worked examples to hopefully make things clearer.

1. **Objective #:** As above
2. **Evidence:** What *signs of growth* will you see if this happens?
3. **Steps:** What *steps* will you take to make this happen?
