

## pMAP Launch Events Autumn 2018

Venues for the pMAP 19 Launch Events have been arranged at different venues across the diocese (see table below). All incumbents are invited to come, together with members of their pMAP Action Group, to whichever venue is most convenient. We hope that by spreading them across eight of the deaneries you will find one that is geographically convenient. The sessions will be led by Paul Moore, Phil Dykes and Andy Saunders. They will run from 7.30 pm until 9pm, with refreshments available beforehand from 7pm.

To help us with our planning, please could you email Frances Ter Haar ([frances.terhaar@winchester.anglican.org](mailto:frances.terhaar@winchester.anglican.org)) by **Monday 10 September** at the latest with the anticipated number attending from each parish.
