1st July – 30th September

DIOCESAN PRAYER CYCLE (DPC)

Over the last year, our church schools have been involved in a project called 'Everyday Ubuntu', which helps children understand what it means to be connected with one another, based on this African philosophy. So many stories could be told about the difference it makes when we value each other and work together, honouring one another's skills and gifts. I wonder what difference it would make to prayer if we developed this philosophy further and explored ways in which we can pray together, learning from and supporting each other?

At the Year 6 leavers service in Winchester Cathedral, each school was invited to create a chant; as part of the service, these were put together and a new and beautiful piece of music was used as a piece of worship. How wonderful it would be to be able to knit our prayers together in a similar way – to bring together our different styles and voices and to create something new.

Sing to the LORD a new song; sing to the LORD, all the earth.

Sing to the LORD, praise his name; proclaim his salvation day after day.

Declare his glory among the nations, his marvellous deeds among all peoples.

For great is the LORD and most worthy of praise; he is to be feared above all gods. Psalm 96

+ Debbie
