

DIOCESE of
WINCHESTER

RECTOR

Set in North Hampshire, the Benefice of Burghclere with Newtown and Ecchinswell with Sydmonton

We are a semi-rural benefice just south of Newbury in an area of outstanding natural beauty. With momentum, energy and vibrancy in our Church, and a welcoming local community, we are seeking someone as Rector who:

- Will build a vision with us for the next stage of the benefice's life
- Enjoys the diversity of traditions we enjoy & will develop and deepen our spiritual lives
- Prioritises ministry with children, schools and families, without losing care of those of fuller years
- Models healthy ministry through wise self-care and good pastoral care of others

You will find:

- An attractive Rectory and garden, with good schools nearby & good local towns & London access
- Supportive congregations and church officers
- Opportunities to develop your own ministry, vocation and growth in Christ
