

GIVING TO GOD

LIVING GENEROUSLY

Giving to God

God is all generosity. In fact, it is possible to read the whole Bible as a narrative of giving. We could think of our response to God's generosity as an obligation – it is – it is a commandment, but it is also an act of thanksgiving for God's boundless generosity.

Enabling Ministry

Giving our **time, talents** and **treasure** enables us as a Church to grow and be Christ in the world.

Thanks to the generosity of all who serve our churches, together we are able to serve our communities – through worship, pastoral care, study groups, food banks, to name just a few – and through our relationships with schools, care homes, and many other community outreach partnerships.

Regular Giving

All giving, be it **time, talents** or **treasure**, helps us to draw closer to God, for living generously is fundamental to discipleship.

Regular, planned giving is an important commitment to our churches grounded in faith, and reveals that we have put our trust in God.

Regular giving allows us to plan ahead so that our ministry is based on a solid foundation.

Thank you for all you are able to give. Your generosity enables us to be the Church in our communities and beyond.
