

Parish Profile

Our vision is to see **Lives Transformed, Hope Restored and Freedom Found in Jesus**. We have quickly gained a reputation as a church that welcomes all, providing a secure and inviting environment that encapsulates our fundamental value of **home**. We currently have two ministries centred around mental health care. Coupled with the mainstream needs of a rapidly growing congregation, we are building an excellent pastoral foundation for those who become part of our community.

From the strong and secure value of **Home** we passionately believe that we are called to embody the values of **generosity, being Spirit led and hope-filled**. We are a church that trains and equips lay leaders to find their place in the frontline in which God has called them, in leading, praying, interceding, exercising the gifts and power of the Holy Spirit, teaching and encouraging. We also believe that individuals will be called to form teams, which will eventually collaborate with other local churches to foster growth and revitalisation.

We are passionate about evangelism and place our Alpha ministry centrally in the life of the church. So far over 250 people have attended Alpha since we relaunched in 2021, with many joining the church community after attending Alpha.

Our social transformation ministry Love Totton encompasses a number of ministries that are generous in their time and love towards those on the margins, who need confidence and decision-making skills needed to live on a low income, and who need support in times of financial need.

We have vibrant and growing families, kids and youth ministries, with great links and relationships made with local schools and colleges.

Our church is serious about what it's called to do, but we want to bring a sense of lightness, fun and practicality to the journey. We are informal, Spirit filled, down to earth, pioneering and courageous.

St. Wins Totton is an evangelical charismatic church in Winchester Diocese on the edge of the New Forest and close to Southampton. We are part of the HTB network of churches.

We have a weekly worshipping community of around 160 adults every Sunday, rising to over 230 thanks to our midweek communion service and evening service. Adding in regular children's, youth and community activities, the weekly reach of our gospel ministry is well over 300 people.

St Wins is a diocesan resource church with a remit to encourage, work alongside and equip the churches in and around the local area. We have SDF funding which has enabled rapid church growth and the restoration of this Grade 2 listed building.

St. Anne's Calmore is a much smaller older Victorian building in the Calmore neighbourhood of Totton. Having been in vacancy for the last 3 years, St Anne's became part of the new parish of Totton and Calmore in May 2023. St Anne's offers a traditional Common Worship service which currently runs on a fortnightly basis.

The small but dedicated congregation are welcoming and eager to work together as we discern the missional opportunities that Calmore offers.

Welcome to Winchester Diocese

Thank you for your interest in coming to work in the Diocese of Winchester where we are committed to serving people and communities across Hampshire and East Dorset. We serve a range of diverse communities, from rural to urban, with our Cathedral being sited in the historic city of Winchester.

From coastal Bournemouth to Andover, Southampton to the villages around Basingstoke, ministry takes place through our churches, chaplaincies and schools and we are delighted to encourage lay ministry in all its varied forms. We are committed to being a truly representative diocese and we recognise our need to develop in diversity.

The Diocese of Winchester is an exciting place to be and we look forward to receiving your Application.

Lyndhurst Deanery

The deanery has a mix of suburban, market town and village parishes and is located in the south of the diocese, within the archdeaconry of Bournemouth. The life of the deanery includes an active Synod and a friendly and supportive Chapter.

We work together to find ways to enable all the people of our parishes to live out their calling in our shared mission and ministry and encourage all our stipendiary clergy to be active within the deanery so that their skills and gifts can be used to build up the whole deanery.

Area Dean**

**Alison Bennett
Assistant Area Dean**

**Bill Andrews
Lay Chair**

In an exciting new chapter for this revitalisation project in Totton, we are delighted that you are interested in joining us as we transition to a new phase for our parish which lies on the eastern edge of the New Forest and close to the Estuary that separates us from Greater Southampton.

We are offering an Associate Minister full time stipendiary fixed term post for 6 years.

You will work closely with our Rector, curate, staff team, 2 LLMs and some retired clergy with PTO.

Who are we looking for?

A second experienced clergy person is required to work alongside Ali, our Rector.

- You will champion and encourage our vision to see Lives Transformed, Hope Restored and Freedom Found in Jesus.
- You will have a particular focus on the discernment and development of missional opportunities in the parish, particularly the Calmore estate.
- You will be the primary clergy liaison for St Anne's Calmore.
- You will oversee 'Love Totton' – the social transformation ministries of the parish.
- You will oversee and develop the prayer life of the church

The Associate, Rector and Curate will work closely together with the Operations Manager as she oversees operations, facilities, events and safeguarding. Together they will form the Senior Leadership Team.

This is a strategically significant role for us as a church.

You'll have both the heart and gifting to creatively grow meaningful connections between our church community and the parish. Led by the Holy Spirit, you'll envision and develop innovative ways to share the love of Jesus and make a transformative impact on Kingdom Growth.

You will need to be comfortable with change as our congregation is growing rapidly and we are adapting to meet their needs. This role is not for someone who wants to stand still or do the same thing all the time. We are trying to create a church and culture that meets the needs of a complex community so that they may see Lives Transformed, Freedom Found and Hope Restored in Jesus.

You'll lead the "Love Totton" umbrella ministry, which encompasses all our social outreach initiatives, guiding and empowering these ministries to demonstrate the practical love of Jesus within our community.

Current ministries include:

- Renew Café
- The Pillar Space
- CAP (Christians Against Poverty)
- Friday evening Youth Group
- Kids' Holiday Clubs

With a heart for mission, you will prayerfully research and discern new outreach opportunities, particularly focusing on the Calmore area, forging connections with local schools and other community stakeholders.

You will also oversee St. Anne's morning service, serving as the primary clergy liaison for this congregation. Honouring and upholding the traditional Common Worship service, you'll work with St. Anne's PCC sub-committee and Rector to gently shape the services for the future. Additionally, you will envision new forms of worship through alternative services aimed at engaging a younger demographic at St. Anne's during other times of the week.

You will line manage our Youth Pastor collaborating with them and our family and kids lead to explore fresh, missional approaches for reaching young people and families in our community.

With a strategic mindset, you will seek innovative opportunities for revitalisation and planting.

You will champion prayer as the engine room of Kingdom mission, inspiring our community to engage in many different ways.

Finally, you will join our senior team, working closely with our Rector, Ali, the Curate, Tim, and Operations Manager to pray, strategise, and envision bold possibilities for the parish. A collaborative leader, you will work alongside us, bringing passion, vision and your experience in mission work, demonstrating God's love across diverse contexts and demographics, with a foundation firmly rooted in prayer.

Please see the accompanying role description, personal characteristics and specification for more details.

An informal conversation about the role is strongly recommended.
