HR Support for Parishes

- The Diocese pays a retainer to an independent HR Consultant enabling each parish to have free access to remote HR support.
- The Consultant works remotely, by phone and by email: please ask the Parish Support Team for his details.
- Along with advice, he can provide templates for recruitment, contracts, staff handbooks, etc.
- He will travel for face-to-face meetings, but this is not included in the retainer. If a parish wishes to request that level of support it can usually be arranged with him personally, but the diocese will not cover the cost.
- There is also an EIG employment helpline for parishes who employ: 0800 470 0617
