ASSOCIATE MINISTER

House for Duty

St Leonard's Church Sherfield on Loddon

A church with an open door and a warm welcome

Set in the beauty of north Hampshire, we are a friendly, family church who loves welcoming people. In the past few years, we have refreshed our worship to offer variety and make services accessible for newcomers. We are seeking an Associate Minister who will:

- Have primary pastoral leadership for St Leonard's
- Deepen our faith and discipleship
- Equip and encourage new leaders
- Lead us in being a Christ-centred church for the whole parish community

You will find:

- A vibrant ministry team you'll be a part of
- A well situated house & garden, with good schools & local towns & London access
- Supportive congregations and church officers
- Opportunities to develop your own ministry, vocation and growth in Christ
