

Associate Minister In the Parish of Basingstoke

It's three years since we launched the resource church here in Basingstoke, and we are growing all the time, so we are looking for an Associate Minister to help us train, disciple, develop and pastor the key leaders who will be able to support and release mission across our church.

We are looking for an experienced leader to work closely as part of our senior leadership team speaking into key decisions day-to-day as we lead this church and staff team across five locations. It is of course also a role for you as a pastor; you will lead one of our congregations and pastor the people while sharing in ministry across a very varied parish.

To find out more about the role, please visit www.basingstoke.church/vacancies for our Parish Profile, and the full role description.
