Please do note the agenda close dates above as we need to receive your submissions by that date to ensure it is considered at the next DAC meeting. This allows us to send out your submission to the relevant members of the DAC for consideration and to the 19 external bodies (local authority conservation officers & amenity societies) legally required to be issued with a copy of the DAC agenda in good time before the meeting of the DAC. If your situation is an **emergency** please do contact us or the Archdeacon immediately as we have the ability to deal with such matters outside of normal processes.
