Role Context – An Introduction from Bishop Philip

I'm delighted to be able to set the profile for this benefice in our wider diocesan context. Here in this Diocese, we serve a whole range of diverse communities, from the historic city of Winchester with our glorious Cathedral, to the great port city of Southampton, the burgeoning boroughs of Basingstoke, Bournemouth and Christchurch, thriving market towns such as Andover, Alton, Alresford and Romsey, and innumerable picture-perfect Hampshire villages. In all that there is much wealth – but there is also significant deprivation too, especially in our large urban conurbations where our churches are supporting some of the diocese's poorest communities.

In every context, we are committed to the making the love and life of Jesus Christ known, through our churches, schools and chaplaincies, in a way that makes a tangible difference to those communities and their people.

Whilst not being ignorant of the challenges, we are excited by the opportunities before us and warmly invite applications from those who want to join us in addressing them.

With the assurance of my prayers as you consider this particular ministry opportunity.
